Proposal Discussion

Proposal # 1: Barin Kulkarni

1. Refer the language from the slide
2. Satish T. raised an objection against CAL being in the proposal consideration, as they are not decision-making authorities. He agreed about EC and BOT consideration in the proposal. Satish emphasized that including CAL in that proposal will hurt CAL participation and we are not filling the entire quorum (5% of membership)
    a. Barin K. disagreed with Satish T. and he believed CAL is equally responsible for decision making
    b. Ajit J. explained we are not at the point of including CAL to extend this rule too, as we still do not have enough people expressing interest in serving in CAL. We

should not include CAL as of today. He also explained that, per the constitution, CAL is not responsible in the decision-making process.

3. Dilip R. acknowledged the proposal has value, but we might need to review the membership and membership right definition in the constitution.
    a. Satish T. quoted a clause from the constitution about discrimination and noted it might need to be changed as well, as it mentions marital status.
    b. Ajit J. did not see a need to change the membership definition.
    c. Dilip R. emphasized his point by explaining that any member has an equal right to serve in any position for the mandal committee.
4. Rahul P. suggested coming to one definition of family before we put it to a vote. He suggested EC/BOT/Barin should go back to the drawing board and redraft the proposal with language revision.
    a. Shrirang summarized the discussion with Barin and stated as an action item on EC/BOT/Barin/Ajit J. to re-language the proposal

Proposal # 2: Ajit Jagtap

1. Refer the language from the slide
2. Anand K. invited Ajit J. to explain the proposal to attendees.
3. Briefly, this proposal is about how decision-making positions should not have members from the same family. Ajit J. researched the IRS family definition for non-profit organizations and suggested amending the constitution
4. Atul C. and Abhjieet S. requested for more clarity about the “Family” definition per the IRS
    a. Ajit J. clarified it based on his understanding during the research on the IRS website and government data
5. Atul C.: This is the same understanding about the family definition; whatever we decide should apply to proposals 1 and 2.

Shrirang G. concluded that both these proposals need re-wording, action items assigned to BOT to discuss along with Barin and Ajit J. and come up with the right language that also addresses the concerns expressed during the meeting and bring it for approval in MYGBM.

Shrirang G. requested extension of GBM again for 15 mins

BOT Updates

1. The option to buy mandal property utilizing existing funds has been vetted and closed
    a. Plan is to save the CDs and finances
2. Atul C. expressed his opinion that having everything in the constitution should not be an expectation and will not be feasible from an organizational operation standpoint.
3. Anonymous email: Conflict of Interest related item

a. Atul C. explained the concern mentioned point by point and explained the BOT acknowledgement of the concerns
b. Ajit J. suggested considering that a valid concern and making sure we address it in action

Shrirang G. requested extension of GBM again for 15 mins

Last GBM Open Items

1. Rahul Padalikar mentioned there should be a practice to close open item from prior GBM into the succeeding GBM
    a. Shrirang clarified that the items were timely closed with appropriate communication with the community.

Item 1: Scholarship Money utilization Review

1. Satish T. explained to attendees that review was done and mostly all recipients have utilized the scholarship money.
    a. Every year, 40 students apply for the Mandal scholarship. This year was a record high when it came to the number of applications - 46. We awarded $17,500 worth of scholarships to 15 applicants.

2026-27 Executive Committee and BOT
